Booking Information

HOW TO BOOK

To book a place on any of our courses, simply complete and return the booking form to us along with the payment shown for that course. The course details show the deposit payable for each course. We cannot take credit cards for courses only for our products. Our courses are very popular so it is always a good idea to book well in advance to be sure of getting a place for the dates that you have chosen. We do sometimes add new courses so do call for an up to date information pack or to discuss any queries you might have.

VENUE

The School of the Living Light reserves the right to change the venue or the date for any class, however, this is very rarely necessary.

Ashcott, Somerset. The School of the Living Light: Easy to reach but wonderfully secluded, The School of the Living Light is about two and a half hour's drive from London or 45 minute's drive from Bristol. The classes are held in a beautiful Victorian country house and grounds situated in the heart of the tranquil Somerset countryside located about 5 miles from Glastonbury. It is very peaceful and because of the energies that have been built up there it is a very good place to meditate and relax in. There are walks in the countryside straight out of the front door and private gardens to relax in if you choose. Delicious vegetarian lunches will be provided each day incorporating organic ingredients whenever possible.

TRAVEL

We will be pleased to advise you on travel arrangements to any of our venues, just call the office during normal business hours. You can catch direct buses from the London area to Street, which is about 3 miles from the School. Alternatively you can bus into Ilchester from London. These provide very cheap alternatives for travel if you are without a car. Many of our Bed and Breakfast proprietors will collect you from the bus or train stations, these are noted on the list you are sent when you enrol. At the time of writing the rail fare from London or an Apex ticket is £17.50 return but these must be booked well in advance to get the cheapest rates. You need to travel to Castle Cary or to Bridgwater stations.

ACCOMMODATION

There are many excellent places to stay in this area both in the country or in the town ranging from simple farmhouse bed and breakfast accommodation to luxury hotels. We will send you a list of some of these when you enrol for a class. You will need to allow about £20+ an average per night for bed and breakfast. We will send you directions for finding us when you enrol for a class or a reading with Ortan. There are also many excellent restaurants and country pubs to eat at in the evenings. Glastonbury offers several organic and vegetarian options for eating out as well as the usual choices like Italian, Indian and English restaurants.

FEES.

Deposits are non-returnable and non-transferable. We recommend you take out your own insurance in case you have to cancel through illness or unforeseen circumstances. The balance of the fee is due two weeks before your course, after this date you will be liable for the full course fee. Fees are not returnable or transferable if you cancel within this period.

LUNCHES

At the School of the Living Light, only vegetarian food is offered for lunch. Organic ingredients are used as much as possible. We often have a vegan option for the main course, but not always. Regrettably we are unable to cater for specialist diets although we will do our best if you give us plenty of notice of your requirements. If you are on a very restricted diet it might be a good idea to bring some food with you.

If you have any further queries do call us and we will do our best to help. We are open from Monday to Friday 9.30 am to 3 pm and sometimes later. If the answering machine is on it means we are busy and will call you back as soon as possible. Lita and Marco are not available during classes or the day before or after a class is running.
